I do encourage all camps to do this and it is very well received by the ROTC program.

## SONS OF UNION VETERANS OF THE CIVIL WAR

Brother Commander, and Brother Secretary  
of your Department.

Inclosed is the ROTC units that our with in your department as  
National Quartermaster I am asking for the help of all  
departments with in the order,.

If each department could please sort these out to the nearest  
camps with in the department so each camp knows where these  
units our located and try to contact them so that each camp is  
doing all it can in this important project.

I do know that some camps may not be able to afford this but a  
lot of camps can and it will help promote good will with in the  
order. As most of you know it costs \$5.00 for the ribbon and  
badge plus certificate they can be ordered out of the on-line  
store or from our order form with snail mail.

I am receiving everyday calls and letters asking how to get the  
award. If each department would help me at this time we will be  
able to reach more good Americans that our the future of this  
country

I would like to thank everyone an advance for any help you can give on this very important project. I also in going tru the department s see where for \$100.00 the departments could pick up the price of the medals and do all the ROTC units in your department . This is just a idea some camps for \$15.00 or \$20.00 could cover their area.

Thanks again

Yours in F,C,& L.
