Brothers of the Department of Ohio,

Please allow this letter to serve as my announcement of my candidacy for election to the office of Department of Ohio Junior Vice Commander at our upcoming 129th Department of Ohio Encampment and to set my qualifications before you.

In the Department I currently serve as Chief-of-Staff, Department Historian and Chairman of the Encampment Site and Planning Committee. In these capacities of service, I have been in a position to directly interact with many of the Department officers over the last couple of years and with the responsibilities held within my camp understand the position of the Department Junior Vice Commander.

We are in the midst of the 150th anniversary of the Civil War with many opportunities to participate in sesquicentennial activities around the State of Ohio in the coming years. Living in the central Ohio area, I believe, allows me the luxury to do such. To reiterate Commander-in-Chief Brad Schall and the theme of his administration: "Learn who we are, Learn what we do, Participate in what we do, Honor the Boys in Blue."

Thank you for your consideration.

In Fraternity, Charity and Loyalty,

Jonathan C. Davis
