1.Our Camp voted to purchase 25 copies of the movie, "An American Drummer

Boy". The camp is paying \$12 for the movie and will sell the movie to any camp member for that price but for all others the cost will be \$20. We hope this will serve as a fundraiser and if successful we can order more. Go to www.americandrummerboy.com

This cost the camp \$25 per year so use this service for research.

I, along with members Ron McClintock and Steve Massie attended the 145th Battle of Gettysburg reenactment and now have received the video of that reenactment which features 15,000 reenactors doing the three days of July 1,2,3 1863. This was the largest number of men to take the field since the original. Members can borrow my copy if you so choose or go to. <http://www.gettysburgreenactment.com/>

Soldier Humor

A soldier in the 25th Maine was scratching himself with both hands when an officer passing inquired, "What's the matter, my man, fleas?" "Fleas!" said the soldier in a tone of utter contempt, "Do you think I am a dog? Them is lice."

**Remember, it is not what
you pay to become a
member, it is the price your
ancestor paid for you to be
eligible.**
